

The ‘Memory Verse’

Purpose?

To teach a verse from the Bible that reinforces the main teaching point of the day.

What’s Involved?

The whole team should be involved in planning the Memory Verses, as well as sourcing any equipment / props that may be necessary for it. Fun approaches including sketches and other stimulating ways of getting the Bible verse into the children’s *long-term* memory need to be thought up. Children will need a copy of the verse in a form that can be taken home.

Who Does What?

Everyone on the team should be involved in some way, both in preparation and on the day - the team can decide amongst themselves who does what, whether talking, acting or just holding something! It’s best to nominate one person as the team captain to ensure somebody takes responsibility for the team getting things done!

What Should It Be Like?

Extremely visual, stimulating, dynamic and fun!

The team can use music, lights, drama, PowerPoint or anything else they can think of.

How Long Should It Take?

A maximum of ten minutes each day.
