

The Role of the HBC Team Member

Before Holiday Bible Club

- ◆ To be involved in organising the part of the programme assigned to your team, i.e. Way-In, Memory Verse, Craft or Quiz. This will involve getting together with all the other members of your team to plan, and then sharing responsibility for preparation.
- ◆ To prepare spiritually for being part of the team of workers at HBC – the devil will attack you, so be on your guard.
- ◆ To prepare physically for being part of the team of workers – get some early nights the week before and don't leave preparation to late night sessions a few days before! You need to be 'switched on' and alert at HBC.
- ◆ To prepare practically for being a part of the team of workers at HBC by making sure you have carefully prepared everything you need to.

During Holiday Bible Club

- ◆ Being there!
- ◆ Visibly being:
 - ✓ Permanently enthusiastic
 - ✓ Vigilant of the activities of children around you at all times
 - ✓ Supportive of your team captain
 - ✓ Willing to join in chanting, cheering and team building
 - ✓ Loud - sing your heart out, complete with actions
 - ✓ Thoughtful – when is it *not* good for children to be moving about?
- ◆ Setting the example of expected behaviour!
- ◆ Being a 'fool' for Christ!
