

Amazing Journey (Extended Version)

Verse 1

On an adventure, out of this world
Making a journey, you can come too
Taking a trip on, the wild side
Take the first step is what, we've got to do

Bridge

Putting my hand in his hand
Putting my trust in his plan
Taking the leap of faith I can
Putting my hand in his hand
Putting my trust in his plan
Taking the leap of faith I can

Chorus

It's an amazing journey
We're gonna meet the one and only Son of God
It's an amazing journey
We're gonna celebrate his loving you and me

Bridge

Chorus x2

Verse 2 (Rap)

Life is an adventure, a white-knuckle ride
Don't sit on the sideline, too scared to get fried
Stand up and be counted, don't run off and hide
You'll never achieve much, if you never try

Bridge

Chorus x2
